## VIEW SYSTEMS ANNOUNCES ACQUISITION OF FIBERXPRESS, INC.

BALTIMORE, MD -- (GLOBE NEWSWIRE) -- July 29, 2009 -- View Systems, Inc. (OTC BB: [VSYM.OB](http://www.viewsystems.com)), a security and teledata solutions provider, announced today that View has acquired FiberXpress, Inc., a company that specializes in online sales of fiber and copper networking equipment and connectivity products.

FiberXpress, Inc. is a Maryland-based company that started in 2000. FiberXpress sells products to IT professionals throughout the USA. Companies like Caterpillar, General Electric and General Dynamics purchase connectivity products directly from the web page, <http://www.fiberxpress.com>.

Gunther Than, CEO of View Systems, states, "The acquisition of FiberXpress will greatly add to our repertoire of products and services. This partnership will allow us to offer a wide range of fiber and copper networking products which may be purchased online. We are looking forward to the many opportunities that this new section of the business will create, especially since we're also in the midst of actively pursuing and completing fiber optic network installations. In short, this acquisition looks like it will be one that will generate revenue and be a positive adjunct for the company."
