### **View Systems Announces Substantial ViewScan Order from the UAE**

BALTIMORE, MD -- (GLOBE NEWSWIRE) – November 19, 2009 -- View Systems, Inc. ([VSYM.OB](http://www.viewsystems.com)), a security and teledata solutions provider, announced today that an initial order for 40 ViewScan units has been received from Belcom, a Belhasa company, based in the United Arab Emirates.

Belcom is an authorized international dealer and business partner of View Systems. Belcom represents View Systems' products in the Middle East, Africa, Saudi Arabia, Kuwait, Qatar, Bahrain, UAE, Oman, Jordan, Iraq, India, Pakistan, Bangladesh and Yemen. Belcom is a subsidiary of the Belhasa Group of Companies, a trusted security and services firm with proven performance throughout the Middle East and North Africa. Belcom is one of the fastest growing telecommunications, IT, and security services companies in the Middle East today. Belcom's corporate headquarters is based in Dubai, UAE with field offices located throughout the MENA region. The Belcom team has an impressive track record of successfully completing projects for clients regardless of location. (Source: [www.belcom.ae](http://www.belcom.ae)). ViewScan units are currently placed in Saudi Arabia, Bahrain, UAE, India and Pakistan.

View is currently procuring the parts necessary to complete a build of more than 100 units. The 40 units purchased under this contract are expected to ship by the 2009 year end.

ViewScan is fast becoming the choice screening system, both domestically and internationally. It's a computer-based system that can scan up to 1200 people per hour. As a person passes through the portal, a photograph is taken and stored on the laptop computer that comes with the unit. Threat objects are visually located on the computer screen and an audible alert can be set to sound. The ViewScan produces no harmful emissions so it's safe for everyone.

Gunther Than, CEO of View Systems, states, "We have always maintained great enthusiasm for international product sales. Substantial orders from our international dealers are a testament to the reliability and value of the ViewScan product. Belcom has proven itself as a strong representative by successfully marketing our products to their target areas and bringing in orders. We are confident that international interest will steadily rise, and that Belcom will continue to increase our sales abroad."

**About View Systems:** View Systems, Inc. manufactures and installs weapons detection identification systems, video management platforms and tele-data communication networks targeted towards correctional facilities, schools, courthouses, government agencies, event and sports venues, and commercial businesses.
