

## NEWS RELEASE

RELEASE DATE: October 20, 2010

### VIEW SYSTEMS ANNOUNCES CONTINUED VIEWSCAN INSTALLATIONS IN COLORADO

BALTIMORE, MD -- (GLOBE NEWSWIRE) - October 20, 2010 -- View Systems, Inc. (OTC BB: [VSYM.OB](http://www.viewsystems.com)), a security and tele-data solutions provider, announced today that a ViewScan Concealed Weapons Detection System has been installed at a courthouse in Pagosa Springs, Colorado. In addition to the ViewScan, a LAW Handheld Metal Detection Wand was also delivered.

ViewScan units are currently deployed in most Maryland and New Jersey correctional facilities, as well as in courthouses, banks, schools and other professional buildings across the country. ViewScan has been utilized on a rental basis by major banking firms to secure their shareholder meetings. It was also retained as part of the security measures for the Clinton Global Initiative five years in a row.

Gunther Than, CEO of View Systems, states, "This installation will continue to increase our presence in the Colorado marketplace. We already have many units installed in other Colorado courts and correctional facilities, and this one is boosting sales in the Rocky Mountain region."

#### **About View Systems:**

View Systems, Inc. manufactures and installs weapons detection identification systems, video management platforms and tele-data communication networks targeted towards correctional facilities, schools, courthouses, government agencies, event and sports venues, and commercial businesses.
